

Title I Tips for the Week of October 13th

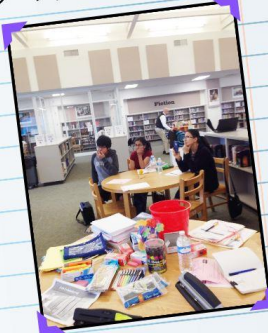

The next Parent Workshop will be at the end of October. Parents have asked for help in understand the rigors of the writing curriculum. Be on the lookout for the dates and times for the next Parent Workshop.

Feedback from the "Get Organized Workshop" has been extremely positive. A special thank you to Dr. Griffin, Mr. Kimbrel and the AVID students for teaching us how to keep an AVID binder. AVID students were particularly impressive, and extremely helpful with "binder busting!"

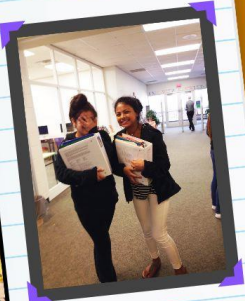

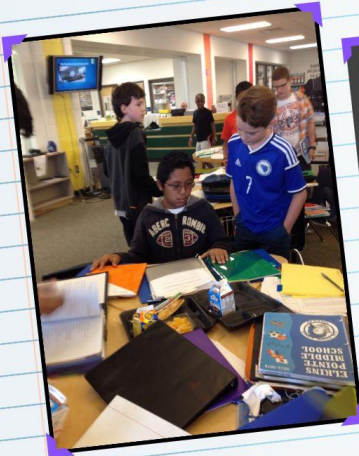

Parents, please tell us topics you would like to know more about to help you and your child with student success! Please email Title I Parent Liaison, Lisa O'Hanlon Cowles, ohanlon@fultonschools.org

"WE GOT ORGANIZED!"

Thank you AVID students!

Dr. Griffin presents the AVID method.
