

May 1, 2015

Subject: Award Opportunity

Engineering For Kids® of Metro Atlanta with the sponsorship of Women in Technology is accepting full and partial scholarship applications for our S.T.E.M. summer camp. Awards will be given to Girls ages four to fourteen who can attend one of our Atlanta, Roswell, or Decatur camp locations.

How to Apply: Applications are due by **June 1, 2015.**

The link to the application can be found on our Camps page on our website engineeringforkids.com/location/metroatlanta/camps. In addition, email one (1) letter of recommendation from a teacher or administrator.

Selection of Recipient: An award selection committee, composed of members of the Engineering For Kids board will choose the recipients. The committee will consider the financial need of the student's family and the letter of recommendation.

Receipt of Award: The award recipient will be notified via phone, mail or parent's e-mail. The parent will be provided registration information.

If you have any questions, please feel free to contact us.

Sincerely,
Maureen Myrie
President/CEO
Engineering For Kids of Metro Atlanta

About Engineering For Kids® of Metro Atlanta

A non-profit organization that brings the wonder and excitement of S.T.E.M. education to children ages 4-14 through a variety of hands-on learning experiences. Create your own video game! Design a hot air balloon! Build rockets, roller coasters, and robots! All of this is possible with Engineering For Kids®! We offer after-school classes, camps, parties, in-school fieldtrips, and more.
