Dr. Lawrence “LB” Brown, is Associate Dean of Student Affairs, and Professor of Pharmacoeconomics and Health Policy at Chapman University School of Pharmacy. He completed his Doctor of Pharmacy degree at the University of the Pacific and his Ph.D. in Social and Administrative Pharmacy at the University of Minnesota. However, he began his career in pharmacy as a U.S. Air Force Pharmacy Technician from 1985 to 1991. His main research interests are: Economic and Clinical Outcomes of Pharmacists-Provided Medication Therapy Management (MTM) Services, and the Role of Pharmacists in the US and other Countries.

Dr. Brown has a rich history of experience in the Medication Therapy Management (MTM) arena, and has a National and International reputation as an MTM expert. He has over 40 International presentations on MTM and over 80 presentations throughout the United States. Also, for the past 12 years he has been assisting community pharmacists in Hungary to implement MTM in community pharmacies.

Dr. Brown is the current President of the American Pharmacists Association (APhA). And he is a former APhA-ASP Chapter President, former Speaker of the House for APhA-ASP and APhA, and former National President of the Kappa Psi Pharmaceutical Fraternity.

Dr. Brown was born and raised in Chicago, Illinois. He has been married to his beautiful wife (May) for over 20 years and has two wonderful daughters (Leilani and Kalea) who are 14 and 11 years old respectively
