What is KYPCC?

With the support of the Kentucky Office of Inspector General and CMS, the Kent School of Social Work at the University of Louisville has established the Kentucky Person-Centered Program for Long-Term Care.

The Kentucky Person-Centered Care Program for Long-Term Care (KYPCC) seeks to increase and improve Person-Centered Care for long-term care residents in Kentucky through the engagement of all stakeholders, including LTC facilities, Surveyor staff, Families and Residents.

By creating a culture change movement, the quality of care and quality of life can improve for the most vulnerable members of our communities.

Free Regional PCC Conferences

The project will offer four 2-day Regional PCC Conferences across the state.

Family members and residents are also invited to attend a Family and Resident Education track at each conference location

Registration, Meals and Breaks are FREE!

Conference speakers will include the Pioneer Network, the Alzheimer's Association of Greater Kentucky and Southern Indiana and more.
