New 2nd & 3rd Degreed Brothers Correction

On Feb. 28th we had 7 Brothers complete their 2nd and 3rd Degree's. Please congratulate Eric Jasper who's name was accidently omitted but had completed his degree.

if you have not completed you 2nd and 3rd Degree, please consider doing so to better understand who we are as Knights. Check the councils website calendar at www.kofc-st-timothy.org/upcoming-events.html for the next upcoming ceremonies date and location.

Council Supports New Ultrasound For New Hope Center

Our Council has voted and passed a motion to donate \$250, along with several other Northern KY councils towards the purchase of a second ultrasound machine for a second New Hope facility. These machines are a worthy cause used in the Knights mission to help support new mothers in allowing them to see the new life within that God has blessed them with and to support their decision to keep their child.

Holy League

Holy League is a chance for all men of faith (Knights or otherwise), fathers and sons to come together, pray and spend time with the Lord. Its only 1 hour to dedicate to the Lord. It is important for the future of our faith and our Church that its men continue to take the spiritual lead in their families and communities, and we as Knights are key to supporting this important ministry. So please come and join us at church every fourth Monday of each month. The next gathering is April 25th at 7pm.

Knights "40 cans for lent" program

The 40 Cans For Lent program was another success. This was the second year for holding this wonderful program. Over 120 boxes of food were supplied to St. Vincent de Paul, Be Concerned, City Heights/St. Augustine and Go Pantry. Thank you to all those who helped and gave so generously. You can still drop off canned and dry food goods, especially ravioli and canned fruit in the Food Pantry bin in the Gathering Space at church.

Officer Nomination Committee Formed

The nomination committee for creating the next slate of officers for the next two years of service for our council has been formed and will be meeting between now and the next business meeting the second week of May. If you have any interest in becoming or changing you role as an officer in our council, please contact Mark Sippel, our Deputy Grand Knight. All interested Knights are welcome.
