

## Seagate Partners with Clorox Healthcare for Infection Prevention

As part of our continuing effort to bring our members best-in-class products at competitive price points, Seagate Alliance has partnered with Clorox Healthcare to give Seagate members access to Clorox Healthcare's Loyalty Rewards Program. This program provides our members who are 80% compliant with an additional 3% discount off Top-Tier pricing for Clorox Healthcare ready-to-use hydrogen peroxide and bleach-based cleaners and disinfectants. The discount is effective December 1, 2015\*. Additional product details are below:

### Clorox Healthcare® Hydrogen Peroxide Wipes and Liquid

- 38 claims with kill time of 1 minute or less to help you cut down on cleaning time and turn rooms over quickly
- Broad surface compatibility: Suitable for use on a variety of hard surfaces, including stainless steel, glazed tile, plastic, vinyl and chrome
- Great aesthetics: No harsh chemical fumes or odors
- For soft surfaces such as privacy curtains, furniture, linens, and lab coats, Clorox Healthcare® Hydrogen Peroxide spray kills 99.9% of bacteria in 30 seconds.

### Clorox Healthcare® Bleach Germicidal Wipes and Liquid

- Kills *C. diff* quickly – 3 minute kill time on the wipes, and 5 minute kill time on the liquid
- Durable wipe that keeps surfaces wet, meaning fewer wipes are needed to do the same job
- Made with a proprietary odor-masking formula for patient and staff comfort.
- Anticorrosive ingredient that makes product less damaging to surfaces and equipment than conventionally prepared bleach solutions.

As an added benefit, Clorox Healthcare is also offering Seagate Alliance members continuing education courses (worth 2.0 CEU's) on post-surgical infection reduction best practices. This partnership underscores our commitment to infection prevention, education, and cost-savings for our members.

Look for a call from your Seagate or Clorox representative to show you the products.
