

## WHAT WE DO

LSF Health Systems (LSFHS) provides contract management, needs assessment, and performance monitoring of state-funded behavioral health services. LSFHS also offers community-based care coordination to address individuals' health needs promptly and effectively; provides training and professional development opportunities to providers, consumers and stakeholders; leads and supports consumer advocacy efforts; and continually seeks to build innovative private-public partnerships to more effectively meet emerging community needs.

- Advocacy
- 24/7 Access to Care Line
- Care Coordination Teams
- Community Partnerships
- System Development & Integration
- Training Institute

*In accordance with the Americans with Disabilities Act, appropriate auxiliary aids and services are provided at no cost to deaf and hard-of-hearing individuals and companions. Persons needing special accommodations to participate in any meeting/hearing should contact Karrin Clark at 904-900-1075 for assistance.*

## LSFHS Service Area

## WHO WE ARE

*The Right Service, at the Right Time, in the Right Setting*

LSF Health Systems (LSFHS) is the not-for-profit behavioral health Managing Entity (ME) contracted by the Florida Department of Children and Families to serve a 23-county region in Northeast and North Central Florida.

LSF Health Systems promotes and supports the development of *holistic, innovative and evidence-based* programs within a strength-based, recovery-oriented System of Care.

### Our Vision

We envision communities where every child, adult, & family has access to the behavioral health care services they need to live well & be well.

### Our Mission

Our mission is to develop and sustain an integrated system of behavioral health care through a network of services built on integrity, innovation, and collaboration.

## WHO WE SERVE

Our network consists of more than 35 leading behavioral health organizations that provide a comprehensive range of mental health, substance abuse, and primary care services for uninsured children, adults, and families who lack the financial resources to afford care. Our goal is to ensure that every child and adult in need receives *the right service, at the right time, and in the right setting.*

*Our providers care for special populations that include:*

- Chronically homeless individuals
- Families in the foster care system
- Incarcerated individuals
- Individuals with a serious mental illness
- Injecting drug users
- Older adults
- Substance abusers who are infected with HIV
- Veterans
- Women who are pregnant
- Women who are addicted and who have dependent children
- Youth in the juvenile justice system

LSF Health Systems (LSFHS) is an arm of Lutheran Services Florida (LSF), a private 501 (c) 3 human services agency with 35 years of experience helping people in need, regardless of religious affiliation, age or national origin. LSF is accredited by the Council on Accreditation, an international and independent human services accrediting body founded in 1977.
