

Let's beat hunger.

Local food pantries need our help.

Join Fairfax County Government, Giant, Shoppers Food and Pharmacy, Walmart and MV Transportation, Inc. as we collect food donations to assist the most vulnerable in our community.

Purchase food and other needed items at the cash register or at the special display in the store and drop your contribution by our bus.

All donations for this event go directly to the **Annandale Christian Community for Action**, a local nonprofit organization that helps to feed needy families and individuals in Fairfax County.
