\_\_\_ **\$39.00 Membership**

\_\_\_ **\$54.00 Membership, Neshama, the Soul and Spirit of Kol Isha,  
Women's Voice of Shaarei Kodesh.**

*\*Women's League for Conservative Judaism has raised the annual fees (per capita dues) for its affiliated sisterhoods to \$13 per sisterhood member. Our sisterhood's per capita dues entitle us to an array of customized services from Women's League designed to meet our sisterhood's needs. As costs keep going up, the finance committee for the WLCJ has been carefully tightening its budget while instituting changes that are necessary for its strategic plan. WLCJ will continue to provide the outstanding educational materials, sisterhood tools and training services that have been the hallmark of our 95 year history.*
