

## SUSTAINABILITY MADE AFFORDABLE

Come join us and find out how Sustainability can be made affordable through creative financing incentives made possible through Hawaii Community Reinvestment Corporation's GREEN SUN program.

Gwen Yamamoto Lau will be presenting on this new statewide initiative. Programs support lenders, installers, as well as home and business owners. Spread the word and let's go GREEN!

**Thursday, May 16, 2012**

**11:30am – 1:00pm**

**Encore Restaurant**

**Cost: \$20.00**
