What our customers are saying

At PEG, we strive to give you the best customer service, listen to our customers needs and take action to enhance our sites. Since we are always getting positive feedback, we invite you to read our testimonials below.

Dusti, Program Director

Platinum Planner is working very well for us. I have zero complaints and appreciate all the help and responsiveness with any issues as they have arisen! You guys are great!

Wesley, EMS Educator

The honesty and the customer service your staff provided us was without question superb. I look forward to working with your company in the future.

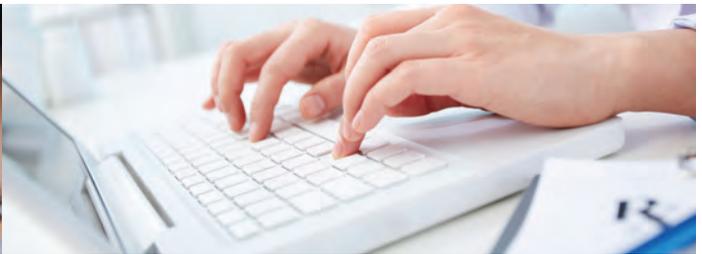

Student

I am so impressed to have gotten a phone call from Platinum within a 1/2 hour of posting my request. The customer support gentleman was so patient and informative. He walked me through quite a bit and answered all my questions.

PlatinumPlanner.com Features

Our budget friendly, flexible platform allows all professions to utilize our program and smoothly share facilities for gaining valuable experience.

Tracks Schedules, Skills & Patient Encounters

Organize schedules online and monitor skill acquisition efficiently. Count the number of unique patient contacts and attempts/successes at critical tasks without paper.

Educational Accreditation Solution

Meets the accreditation standards for quality assurance. Generate important reports to meet accreditation requirements.

Verify Clinical/Lab/Scenario Experiences

Learners submit summaries of hands-on experience acquired in and out of the classroom for credit.

Progress Reports are Easy to Generate

School administrators, teachers and students can quickly view progress and export them to popular formats like Excel and PDF.

Our Mission: Deliver valid and reliable assessment, scheduling, skill tracking, and reporting solutions.

Our Vision: Every learner in the world can benefit from our solutions.

Let us guide you

We thank you for reviewing our online solutions. We feel honored you are taking time to consider adopting our services for your school and learners.

Since founding our group in 2002, our team has always demonstrated a commitment to serving our fellow educators with programs that are affordable, flexible and user friendly. It is through that commitment and hard work we have become an authority in delivering valid and reliable testing and hands-on skills tracking wherever it happens.

Please accept our invitation to review how we “make the difficult easy” for our clients with a free 30 day test drive. Let us show you and your colleagues how we have improved thousands of student’s examination outcomes and clinical experiences.

Sincerely,
