## STUDENT PAPER COMPETITION

STPA invites undergraduate and graduate students who have written research papers related to transportation policy and administration to submit their papers for consideration. Papers should be prepared according to a standard style such as APA. They should be between 15 and 25 pages in length and include citations and references. The review committee encourages students to submit copies of previously prepared research papers, conference papers, and journal article manuscripts. Literature reviews and review essays are not eligible for consideration. Papers co-authored with faculty members are not eligible. The committee will evaluate papers in a blind review process. Students are asked to limit self-references to a title page that can be removed prior to review by the committee. Papers should be submitted as an e-mail attachment using MSWord (.doc) or Rich Text Format (.rtf).

Reviewers will rate papers on:

- The relevance of the research to transportation policy and administration,
- The appropriateness of the chosen methodology,
- The clarity of the writing,
- The overall quality of the paper.

The best paper will receive a cash award of \$100 plus free one-year memberships in ASPA and STPA. At the discretion of the Committee, an honorable mention paper may be selected.

**The deadline for receiving papers is February 8, 2017.**
