Tails for Life

All Gold and Silver sponsors will receive recognition through Tails for Life's media outlets. (facebook, website, radio, paper, journal, local media....) All sponsors will be recognized for their generosity continually through online media outlets as well as having their logo stitched to the vest of each service dog sponsored for life. Each sponsor will receive a certificate for sponsorship and will have an opportunity to meet the family/child receiving the service dog as well.

There typically is a maximum of two sponsors per service dog to create maximum exposure for each sponsor.

Reason for seeking sponsorship is to help alleviate the training/care costs of each service dog. Most individuals do not have the resources to raise funds on their own to pay for a service dog. Tails for Life would like to eliminate that step and with your help make a dream come true for a child in need. Most families contacting Tails for Life have heard the word "no" many times from other service dog organizations. Sponsoring a service dog will change a life forever.

Thank you for your time and consideration!
