Dear Friends of Small Business Owners

We have known for some time that companies such as yours not only provide valuable services to the community but on occasion reach out to those organizations locally that have a mission to enrich the entire small business community.

SCORE Ventura County Chapter, an all-volunteer, non-profit, 501(c)(3) organization is such a group.

An Extraordinary Event!

On June 16, 2015 at the VCOE Conference Center in Camarillo, California, we will be hosting our annual SCORE Small Business Expo. This is a fulfilling small business event that will include 20 free business related seminars and over 40 exhibitors. 400+ small business persons attended our Expo last year and we are hopeful to increase attendance to over 600 this year.

Prestigious Sponsors and Exhibitors

Past sponsorship has included: Wells Fargo, The STAR newspaper; California Bank & Trust; Dun & Bradstreet Credibility Corp. and Constant Contact. Exhibitors included The Small Business Development Center (SBDC), The Small Business Administration (SBA), The Board of Equalization; The Franchise Tax Board; The IRS, The Small Business Administration, Naval Base Ventura County, most of the Chambers of Commerce in Ventura County and many private enterprises serving the small business community.

We would welcome the opportunity to have your company represented at this event that we know will draw hundreds of small business owners and new start-up companies. The number of exhibitor booths and sponsorship opportunities are limited.

We are SCORE®, Counselors to America's Small Business here in Ventura County that have been serving small business entrepreneurs and start-up companies since 1971. We have helped thousands of businesses with free, one on one confidential counseling; on-site mentoring; free seminars and low cost workshops.

Can We Count on Your support?

I have enclosed detailed information on the event and a sponsorship application.

For additional information, you can contact us directly at expo@scoreventura.org.

I look forward to hearing from you and having you join our family of "partners" who care about the survival and success of small businesses everywhere.

Sincerely,

Larry Willett, Chapter Chairman
