

The Democratic Regional Headquarters located in the Outlet Mall in Lake Elsinore is proud to be partnering with Latinas of Riverside County and Immigration Law Offices of Hadley Bajramovic, PC to offer FREE Citizenship Classes. The four week class ends with a workshop to complete citizenship application paperwork, meet with an attorney, and review income to see if they qualify for a fee waiver.

There has been a very enthusiastic response! We have had 21 people attend our first sessions. The workshop will be Saturday, July 23, and we are expecting around 100 people.

Even though we teach the class as a nonpartisan, from their comments the majority will be registering as Democrats. Thank you Donald Trump for giving people a reason to become citizens and to vote.

We will be giving additional classes and workshops in the future, so please share with others.
