

## Riverside County Democratic Party Raises Funds and Volunteer Support for Its Candidates

On Sunday, April 17th, the RCDP hosted a golf tournament fundraiser for its candidates in the 2016 Election (June 7th Primary and November 8th General Election). The event was held at the beautiful Morongo Golf Club at Tukwet Canyon in Beaumont. RCDP is extremely grateful to the Morongo Band of Mission Indians for its generous participation and hospitality.

Over one hundred guests enjoyed a day of golf and a delicious luncheon at the awards banquet which followed the tournament. The eventful day went seamlessly due to the enormous support of volunteers' and sponsors.

Co-chaired by Terry and Suji Fox of the County Democratic Party, and championed by Chairperson Howard Katz and the entire RCDP, the event was declared a huge success by all.

For those who can give of your time and financial support, there are many more opportunities to help our Democratic candidates win their elections. Come out and support the Riverside County Democratic Party and its many Clubs! Visit our
