

DSRC has Grand Opening of its Regional Democratic Headquarters

On Saturday, May 7, 2016, Democrats of Southwest Riverside County opened a Regional Headquarters! It is located in the Outlet Mall in Lake Elsinore. The response has been great. Lots of foot traffic, registering people to vote every day. It is an opportunity to talk to people about the

principles behind the Democratic Party, and what we are fighting for.

It is also an opportunity for candidates to talk to the local community. Tim Sheridan, candidate for the 42nd Congressional District, and Andrew Masiel, Sr., candidate for the 75th Assembly District have portions of the Headquarters. Other local candidates will also be available to meet constituents.
