December 17, 2015

Dear Parents:

All eligible Fallon Middle School 8th-grade students have a unique opportunity to attend a one day field trip to cap off their middle school experience and celebrate successful completion of their middle school coursework. This special field trip will be held **Tuesday, June 7, 2016** at Six Flags Discovery Kingdom in Vallejo.

We are in the initial planning stages for this *optional* field trip. **The first step is for us to identify students who want to participate.** Below is some pertinent information to help you decide whether or not you would like your child to participate in this field trip:

- 8th grade Fallon students with at least a 2.0 GPA on both second and third quarter report cards and no suspensions after January 1, 2016 meet the general eligibility requirements. Students must maintain these requirements up to the date of the trip. Notwithstanding the eligibility requirements, the Fallon principal retains the discretion to exclude from the trip any student whose presence on the trip would pose a safety or disciplinary risk.
- The one day trip will be on **Tuesday, June 7th, 2016**. Students will depart from the school at 8:00 a.m. and return to the school between 4:30 and 5:00 p.m.
- Students will travel by bus to Six Flags Discovery Kingdom in Vallejo.
- In order to reserve our spot at Discovery Kingdom, we need to know if you are fully committed to sending your child. Once we confirm reservations with Discovery Kingdom we are responsible for paying for all registered students, even if they do not attend.
- **Students who choose not to participate or who do not return the attached “Intent to Participate Form” by the date requested will only be allowed to opt in at a later date if space is still available on the reserved buses.**

The attached **“Intent to Participate Form”** is due back to school on **January 8th, 2016**. This form is a critical step in determining how many students plan to attend and developing a final budget for the trip.

After we determine the total number of students planning to attend and develop a final budget, we will need your financial help to make the trip possible. We expect the average cost per student to be approximately \$70, but any contribution to help support this event is greatly appreciated. To those parents who donated during Fall Check In, we thank you very much for your contribution!

Please contact me directly if you have any questions or concerns. If you are interested in your child attending this trip, you must complete and return the attached “Intent to Participate Form.” **The signed “Intent to Participate” form must be returned to Secretary Mary Ann Armanuse in the Fallon office by January 8, 2016.**

Sincerely,

Mary Ann Armanuse
Secretary II / Account Tech I
