

**UPDATE YOUR
CONTACT INFO**

The KDS DAR Administration Office and the KDS DAR Alumni Association are diligently working to update contact information (mailing address and email address) for all of our alumni.

This task is monumental due to alumni marriages, moves, deaths, etc. that quickly out-dates the information. The current contact information for many of you is out of date.

It's important that the two organizations be able to contact you to keep you updated of happenings on campus, events such as the alumni banquet, potential alumni tailgates at football games, etc.

Please contact the administration office and/or the alumni association and provide your latest contact information. The administration office can be contacted by email - bcagle@nehp.net or phone 256.728.4236. The alumni association can be contacted by email - pacewil@gmail.com or phone 256.728.8414. Thank you for your help!
