Subject: Community Celebration of for Airbus U.S. Manufacturing Facility to Follow 5K Run

Mobile community invited to take part in special event

The decision was made, the intent was announced, the ground was broken and the facility was built. Team Airbus grows by the day in Mobile and assembly of the very first aircraft to come out of Airbus' newest facility is well underway. The time has come to celebrate what Airbus and the Mobile Community have accomplished together in the last four years – and what will be achieved in the future.

On Saturday, September 12th, following the post-race activities of the *Airbus 5K on the Runway*, Airbus will host a community celebration with fireworks, live music and a short video presentation. The festivities are open to all local residents and admittance is free!

The *Airbus 5K on the Runway* will be surrounded by family-friendly activities, plus food and drinks available for purchase. Bring lawn chairs and blankets, buy food or bring your own, and get ready to celebrate together!
