

Cooper Medical School of Rowan University

2nd Annual Camden Scholar's Forum, 2015 Winners

CLINICAL RESEARCH

First Place

Ali A. Mithani, MD, Medicine
Characteristics and Clinical Outcomes of Patients Undergoing Subcutaneous ICD (S-ICD) Placement vs. Transvenous Single Chamber ICD (TV-ICD)

Second Place

Vijay Kumbar, MD, Pediatrics
Heart Defect Screening in the Setting with Routine Prenatal Imaging

Third Place

Lauren C. Naliboff, DO, Obstetrics and Gynecology
Barriers to Postpartum Tubal Ligations After Vaginal Deliveries in a Medicaid Population and Subsequent Use of LARCs in Patients Who Do Not Receive a Desired PPTL

BASIC RESEARCH

First Place

Michael Plastini, MD, Surgery
Effect of Population Doublings on Differentiation Capacity of Human Adipose-Derived Stem Cell: Establishing Standard Guidelines for Clinical Translational Applications

Second Place

Rachel Choron, MD, Surgery
Comparison of Atriocaval Shunting with Perihepatic Packing versus Perihepatic Packing Alone for Retrohepatic Vena Cava Injuries in a Swine Model

CASE STUDY RESEARCH

First Place

Effat Jabeen, MD, Medicine
Ectopic ACTH Producing Bronchial Carcinoid

NURSING RESEARCH

First Place

Sue Butler, RN, BSN, CPN, CCRN, Nursing
Anchoring a Pediatric IV: A Comparative Study of Peripheral IV Securement Devices in Pediatric Patients ages 2 months through 36 months old

MEDICAL STUDENT RESEARCH

First Place

Nicole Diaz-Segarra, Cooper Medical School of Rowan University
Warthin Tumor of the Oropharyngeal Minor Salivary Gland

Second Place

Grace Bundens, Cooper Medical School of Rowan University
Development of a Serum-Free, Three Dimensional Cell Culture Model for Primary Human Articular Chondrocytes to Test Potential Therapeutics

Third Place

Daisy Obiora, Cooper Medical School of Rowan University
Expression of Cell Death Pathway Transcripts in RNA from Highly Calcified Versus Minimally Calcified Menisci

PERFORMANCE IMPROVEMENT

First Place

Nicole Abel, MD, Medicine
Impact of Weekly Feedback on Test Ordering Patterns

Second Place

Krysta Contino, MD, Pediatrics
Improvement in Ordering Iron Studies for Evaluation of Anemia

ALLIED HEALTH/TECHNICAL

First Place

Toral Patel, University of the Sciences
Do OTC Acne Products Contain Pregnancy Guidelines
