

**TLC for the Gardens**  
**Saturday, August 8, 9-11am**

Remember how great it felt to see the gardens at church off to a great start in the spring? We did a super job and it has paid off. Now, with just a few more hours of TLC, we can spruce up the Peace Garden and brick areas for the August Vespers services and fall meetings.

Please join me if you're able, Saturday August 6th, at 9 am. Gloves, tools, yes yes yes! Thanks!
