The banner features a green header with the One Click Privacy logo on the left, which includes a pair of blue binoculars with a red prohibition sign over them. The text "One Click Privacy" is in bold, with "One Click" in black and "Privacy" in red. Below it, the tagline "Your Personal Life Should Remain Personal" is written in a smaller font. On the right side of the header, there is a white box with a green phone icon, containing the text "Toll Free: 1-866-364-6553" and "Assistance, one call away". Below the header is a navigation menu with buttons for "Home", "Features", "Order", "Support", and "Contact us". The main headline reads "One Click Privacy - Your Privacy is Our Priority", with "Your Privacy is Our Priority" in red. Below the headline is a central graphic showing a person in a grey hoodie and a white mask sitting at a desk with a laptop. To the right of the person are icons for a hard drive, a CD, a USB drive, a plus sign, and logos for Internet Explorer, Firefox, and Opera. Below this graphic is a grey box with the text "KEEP YOUR ONLINE OFFLINE TRACKS CLEANED". At the bottom of the banner are two buttons: an orange "Download Now" button and a green "Download from Software villa" button.

Threat to your Privacy? - Bring it on!

Your privacy is at stake as someone is after your data. Yes, it happens without your knowledge. If your PC is shared with others, then you risk the security of your private information. When anyone uses your PC, your confidential and private data becomes easily accessible to them. One Click Privacy lets you do away with all unnecessary or unwanted info that might be accessed by others.

Your document history can become a medium for others to access your system's private data including hidden files. Similarly, internet browsers are another sensitive area. One Click Privacy handles all sensitive areas in your system.
