

ROSA LIND FRANKLIN
UNIVERSITY
of MEDICINE AND SCIENCE

Global Health Scholarship Recipients 2016

Rosalind Franklin University (RFU) Global Health Scholarship Committee and the Chicago Medical School (CMS) awards scholarships to RFU and CMS students, respectfully, who complete an application in respect to their planned participation in approved global health for-credit courses in an effort to:

- 1) decrease the educational debt for students interested in global health and
- 2) facilitate activities during global health electives that will benefit the host institution or community.
