

“IT TAKES
THE WHOLE
REGION TO
LIVE THE
GOOD LIFE.”

REGIONAL MANUFACTURING ECONOMIC DEVELOPMENT ALLIANCE EVENT

Tuesday, June 7, 2011

4:00 p.m. Tour of Mitchell Metal Products

905 South State Street, Merrill, WI

Mitchell Metal Products offers automated progressive metal stamping in press capacity ranging from 2 ½ tons through 400 tons. Their metal stamping capability is complimented by their wide range of secondary press forming, press brake forming, robotic welding, resistance welding, tapping, riveting, orbital riveting, metal de-burring, barrel and rack line zinc plating and propriety insert tooling.

5:10 p.m. Networking and abundant hors d'oeuvres

Lincoln Lanes, 1208 N. Center Avenue, Merrill

6:00 p.m. Welcome by Centergy, Inc. & Grow North Economic Development Corporations

The Johnson Electric Coil Journey

Discover the challenges, the stumbles, the failures, the frustrations, and how the right combination of an owner, a champion, and an education gave this company a future to continue as a small family-owned manufacturing company.

Profitable Sustainability Initiative (PSI)

Learn about the 45 Wisconsin manufacturers realizing significant ROI through the Wisconsin Profitable Sustainability Initiative, made possible through a grant from the Wisconsin Department of Commerce and the American Recovery and Reinvestment Act and administered through WMEP & NWMOC.

Gold Collar Careers Update

6:45 p.m. Keynote Speakers

Mike Klonsinski, Deputy Secretary, Wisconsin Dept. of Commerce

Major changes destined to enhance economic development, including manufacturing, in Wisconsin.

Scott Baumbach, Interim Secretary, Wisconsin Dept. of Workforce Development

Strategies to Build and Strengthen Wisconsin's Workforce

7:45 p.m. Q&A

Special thanks to our community hosts Lincoln County Economic Development Corporation and the Merrill Area Chamber of Commerce. **Please register by Friday, June 3rd, 2011.**
