Dear Bothell Business Owner:

We are writing to ask you to join us in our **Community Cares Campaign** showing our graduating seniors of Bothell High School that we care about their safety on graduation night! We are asking for your support of **Bothell's Big Bash**, the **All-Night Senior Grad Party** for the graduates of Bothell High School.

While Bothell's Big Bash is a self-funded Bothell High PTSA Event, it is not a school-sponsored event. The party is planned and funds, to help support the event, are raised months in advance by the parents of the seniors and the seniors themselves. We do this because this event provides our students a **safe, sober, supervised**, and **fun** place to celebrate their high school graduation with their friends. We want to make sure that all the time, energy and education that has been invested in these young people's lives is not wasted on one foolish accident. Statistics show that students celebrating on the evening of graduation can experience one of the most dangerous nights of their young lives. It is our goal to keep as many of our graduates as we can safe.

This is why, as the senior class parents, we are organizing this structured, fun event with entertainment all-night long—keeping them off the streets, away from temptation and still having an awesome time! The All-Night Big Bash begins with organized bus transportation picking up students on graduation night from Bothell High School, traveling to surprise destinations with incredible entertainment, food and music, and then returning seniors to the school in the early morning of the following day.

We are in **need of your help** to make sure that this event is a total success. We hope you will support us in our efforts to create this over-the-top experience for our graduates by making a financial donation or by donating prizes to be given at the event. We think it'd be fantastic if your business would make a tax-deductible donation for our Big Bash!

I think all of us can agree that this party is more than just a party. This is a way for the entire Bothell community to let our graduating seniors know that we care about their future, that we want them **all** to make it through their graduation night accident free.

We hope that you will choose to help us out this year. **Our goal for this year is to raise \$6,000 to help with the cost of transportation and scholarships and to collect as many prizes as we can.** Truly we appreciate any help you can give. Your donation along with the attached donation form can be mailed directly to: *Bothell High School, C/O BHS PTSA Bothell's Big Bash, 9130 NE 180th St., Bothell, WA 98011* or give Teresa Fernandez a call at 206-713-8601 and we will make arrangements to pick it up. Bothell High PTSA is a 501c3 non-profit and your donation may be tax deductible. Tax ID # 91-1043336.

Thank you for your generosity!

Sincerely,

Teresa Fernandez, Tiffanie Birr & Joanna Lowell-Forker
