Our first family program at the Fitzgerald-Ben Hill County Library will be Storyteller Josie Bailey! Josie's program will bring children into a world of imagination and emphasize a love of language and literature. This program will be held on Thursday, June 2<sup>nd</sup> at 2pm.

The Library is also excited to host a special appearance by the Mobile Dairy Classroom, a fun and educational program operated by the Agricultural Commodity Commission for Milk. The 30 ft Mobile Dairy Classroom features a fully operational milking parlor containing a live cow used for milking and feeding demonstrations. The goal of the program is to provide children with a better understanding of where milk comes from, how it is processed, the healthy benefits of consuming dairy products and dairy farmers' management of natural resources. This dynamic program will be held on Tuesday, June 7<sup>th</sup> at 10am.

The library encourages family participation. All events are free and open to the public. Call or email Sue Hostetler at 229-426-5080 or [shostetler@fbhcl.org](mailto:shostetler@fbhcl.org) for more information on our Family programs.
