## Flood Continuing Education (CE) Credit: Wright's Got You Covered!

Looking for CE to meet flood training requirements? You got it! Wright Flood provides state certified flood insurance CE classes to Wright Flood agents directly or through insurance associations.

The latest flood reforms and the NFIP require agents selling flood insurance to attend [CE on flood insurance topics](#) during their state insurance license compliance period. ***Please check with your state's DOI for exact requirements.***

With Wright Flood's continuing education classes, you will

- Can participate in face-to-face classroom based instruction
- Access convenient Live online CE training
- Meet your state and NFIP requirements for flood training
- Receive [state specific](#) CE credits to meet state licensing training.

As an added bonus, Wright Flood offers continuing education courses to agents...***At no cost!***

To get the e-invite for upcoming CE classes for your state, be sure you are on the Flood Communication email list. If you need to join or have unsubscribed previously, you can subscribe easily by clicking the picture at left.

For information about upcoming CE classes, please contact [floodcontinuingeducation@weareflood.com](mailto:floodcontinuingeducation@weareflood.com).

Special Note: Wright Flood webinars, held online most Wednesdays, do not carry CE credit toward state licensing compliance.
