

MainStreet Family Urgent Care to host Grand Opening on Oct. 11th

Community invited to enjoy a day of family fun

FOR IMMEDIATE RELEASE

September 29, 2015 (Centre, Ala.) – MainStreet Family Urgent Care announces the opening of its Centre clinic at 1925 West Main Street, just across from the Wal-Mart on Highway 411. This new facility is MainStreet's first medical center to open and will start accepting patients on Monday, October 5th.

"We have received such a warm welcome from everyone we've met in the community thus far, and we are eager to open so we can provide great care for this community in return," said Sam Eskildsen, CEO of MainStreet Family Urgent Care.

Joining forces with the Cherokee County Chamber of Commerce, MainStreet Family Urgent Care will host its ribbon cutting on that Monday, October 5th. Elected officials, members of the Chamber and business owners in the community are invited to attend the ceremony, which will start at 10:30 a.m., followed by light refreshments.

"We are so excited MainStreet Family Urgent Care chose Cherokee County to expand their business. As a member of our community, they will be providing a great resource for medical care. They are very community minded, and we look forward to their much success and services for Cherokee County and surrounding area residents," said Thereasa Hulkan, Executive Director of Cherokee County Chamber of Commerce.

MainStreet Family Urgent Care also invites all friends and neighbors to its Grand Opening event on Sunday, October 11, 2015 from 1:00 p.m. until 4:00 p.m. in the parking lot in front of the clinic. Families can enjoy carnival games, inflatable bounce houses, face painting and balloon animals by Elsa and Batman. Parents can get to know our friendly staff, and kids can meet Dr. Wags, MainStreet's lovable mascot.

"We cannot wait to open our doors and serve the Weiss Lake community," stated Eskildsen. "Our MainStreet Family is excited to offer exceptional medical care at a fraction of the wait time and cost of a typical ER visit. Every part of our clinic is patient-focused to help you feel better and get back to your life quicker"

The walk-in clinic is open Monday through Friday 8:00 a.m. to 8:00 p.m., Saturdays 8:00 a.m. to 6:00 p.m. and Sundays 1:00 p.m. to 6:00 p.m. With extended evenings and weekend hours, MainStreet Family Urgent Care aims to make healthcare convenient.
