

iLEAD Antelope Valley Valet Tips

iLEAD Antelope Valley has a convenient valet service for our families. Please work with your learner at home on remembering their last name and discuss proper parking lot etiquette to ensure learner safety.

Please be mindful of all our families traveling in both directions entering the valet line. Thank you for being a community, engaging in a positive and healthy way with our common priority of learner safety. Please give left turners a chance to enter the driveway, remember to merge safely, and be kind. Thank you for setting an example for our learners of being proactive and responsible.

Please also be mindful of iLEAD Lancaster learners on Tuesdays and Thursdays who may be entering the driveways to attend sports practice. Always yield to pedestrians.

Morning drop-off begins at 8:30 a.m.

Please enter through the west driveway nearest Kinder Care. (Access to this driveway is best made by entering driving east on Avenue K.) Proceed to your left through the parking lot, where staff members wearing brightly colored vests will assist your learners with exiting the vehicle and entering the Learning Studio Facility. Please be aware of learners crossing, and always obey posted signage when exiting.

Afternoon valet begins at 3:30 p.m.

We encourage families to stagger pick-up so that we can be good neighbors and keep traffic flowing in all directions. Have your bright-orange valet card on the driver's side of your dashboard. Enter through the west driveway nearest Kinder Care. (Access to this driveway is best made by entering driving east on Avenue K). Proceed to your left through the parking lot. An iLEAD staff member will read the last name written on your valet card and use a walkie-talkie to have your child come out to your car. We will be loading cars in the order in which they are parked. After picking up your child(ren), drive slowly out of our parking lot while obeying all posted signage. Please be aware of learners crossing, and always obey posted signage when exiting.

If you need to walk in to pick up your child, please park in the nearby retail lots or on the street in front of Kinder Care. Please do not park in the Kinder Care lot. Do not park in the iLEAD Antelope Valley lot during valet.

Pick-up

When picking up anytime, please remember to bring your valet card for faster service.
