

iLEAD Lancaster Volunteer Opportunities

iLEAD seeks to make education a community passion. To this end, parent participation is essential to the success of the education process. It is because of families like you that we are able to offer such a unique program for our children here at iLEAD. Families attending iLEAD agree to commit to 4 hours per month or 40 hours per year of participation.

Examples of iLEAD Family Volunteer Work:

- In-class support as an educator aide
- Adult workshops: parents teaching other parents
- Attending Parent University offerings (Love and Logic, 7 Habits)
- Outside research in support of specific school projects
- Coordinating or assisting at a school community event (family movie night, science night, math night)
- Driving on field trips (must register as driver)
- Hosting an activity in your home or business
- Coaching or operating an after-school enrichment class
- Organizing a community service project for learners
- Supervising at the school: lunch periods, front desk
- Assisting with morning valet
- Operation support: maintenance of the campus
- Recruiting event participation (booths, fairs, marketing materials)

Families having difficulties meeting the participation commitment should email laura.henriquez@ileadschools.org. We thank our families who are volunteering their time and talent, and we look forward to having all our families participate as part of our school community.
