

iLEAD Antelope Valley Safety Reminders

We value our parents and volunteers! **Please ensure if you stay or visit after 9 a.m., you are signing in every time you enter the campus**--even if you're staying only for a moment. A moment is all it takes for a natural disaster to strike, for example, and we need to know who is on campus at all times to ensure safety and accountability. Thank you!

Please remember to bring your ID when you pick up your learners from Extended Day and to remind those who are picking up your learner on your behalf. Bring your orange valet card if you are picking up at the front office during valet.

Although we've gotten to know many of you, some of our staff may not know everyone yet. Occasionally someone besides the regular staff will cover and will need to see ID or the valet card. Being prepared with ID will help us to help you quickly! We thank you for your support as we work to keep our learners safe.
