

**HOTEL LISTINGS & COST**  
**(As of May 18, 2011)**  
**(PRICES ARE SUBJECT TO CHANGE)**

**Reminder:** When calling the hotel of your choice, first ask for the cheapest rate possible - AARP, AAA (auto club), etc. Most rates will be cheaper than the State Government rate. Also, if you have an Entertainment Club Card, discounts may be available there too, but with limited availability or time restrictions. To help lower expenses, try to find a colleague who will share a room with you. Always take your Tax Exempt Form with you and ask if they accept it — that's entirely at the hotel's discretion.
