The California Senior Legislature (CSL) is proud to announce the convening of the 31st Annual Legislative Session at the State Capitol Building in Sacramento on October 24-27, 2011.

Our primary goals are to (1) identify and prioritize senior citizen's concerns and needs, (2) develop proposals in response to those needs, and (3) advocate for the inclusion of those issues in the legislative proposals of the California State Legislature. Toward this end, the CSL works closely with all other senior advocacy organizations that are part of the state's aging network, such as the California Association of Area Agencies on Aging and the AARP.

We invite you to sponsor an Information Table at our three evening banquets. Our banquets are attended by over 100 Senior Senators and Senior Assembly Members from across the state, as well as legislators, government officials and community leaders in aging services. The cost per evening per table is \$150.00. Join us at the Hyatt Regency Hotel at Capitol Park, 1209 L Street in Sacramento, CA. 95814
