ANNCR: Did you know that every year, the California Senior Legislature gets together to help sponsor proposals that help our seniors? It's true, and each year the California Senior Legislature is empowered to propose ten state and four federal legislative proposals, designed to enhance the quality of life for older Californians. To date, 70% of our proposals have become law in areas like financial abuse, health care, housing and more. Ronald Regan once said, "I commend the members of the CSL for being an inspiration to us all, proving that individuals can indeed have a voice in our legislative system." And Jerry Brown said, "The CSL offers our older citizens a special opportunity to assist me and the legislature in developing priorities." But the CSL is entirely dependent on the generosity of private donors. You can help by contributing to the CSL - simply by checking code 402 on your State Income Tax form, or by visiting our website at "WWW, dot, the number "four" - C-S-L Dot Org." Please, won't you help California seniors, by making your tax deductible donation to the California Senior Legislature today?
