

Almighty God, we pray that You will bless our work in mission and ministry in the world. Help us to pray fervently, labor diligently and give liberally to make known the power of Your love given through Your son, Jesus Christ. Let us not forget the lessons from the past nor fear the challenges of the future. Anoint us with Your grace and shine in our hearts as we reflect Your light throughout the world. Amen.

SHARING GOD'S BOUNTY

How we care for each other by sharing our gifts and talents is one aspect. Respecting human life and the dignity of each person to reach their potential is another. Both Workshops reach into our hearts to discover the bounty within to share God's abundant economy with friends of other faiths and with all on our Earth.
