Network with others who have an interest in Catholic education

- Seeking strategies for greater family engagement and community building within your Catholic school?
- Desire to better promote a caring and supportive culture by nourishing family and life within Catholic schools?

Identify areas of strength and opportunities for growth in your family engagement practices.

- Need to improve your strategic plan?

Learn of a grass roots approach that does not involve the use of external consulting services.

- Interested in learning more about effective leadership and leadership succession?

Investigate tools that can positively influence the challenging work of leadership.

Participate **on campus (\$65)** or **virtually (\$75)**
