Internet pornography is infiltrating the minds and hearts of young children and adolescents. Catholic school educators have the opportunity to play a key role in raising parental awareness and providing resources to combat the pornography epidemic. Join Kathleen Nowosadko, Director of Safe Environment in the Archdiocese of Hartford, and Sr. Mary Kolbe Hefern, F.S.E., Director of Faith Formation for Catholic School Educators in the Archdiocese of Hartford Office of Catholic Schools, to learn more about the infiltration of Internet pornography and how to partner with parents to keep students safe and holy.
