

**Special Offering for the family of Pastor Abishai McDonald (Jacksonville New Dimensions)**

Pastor Abishai McDonald (Jacksonville New Dimensions), age 34, was ushered into our Lord's presence on Tuesday, June 7. In September of 2015, his legs became paralyzed due to a spontaneous blot clot on his spine. Abishai fought courageously through rehab and physical therapy, but infection in his blood and bones began to affect his internal organs, and hospice care began at the beginning of May. God has truly sustained Abishai

and his wife in these days. Brittany says, "Are we sad? Absolutely. Are we grieving? Very deeply. But we also are resting in the peace and understanding that in all things and in all ways, our God is in control."

So many of our Team Florida churches and pastors have given generously throughout Abishai's illness. We are now asking all Team Florida congregations to receive a special offering for the financial needs of this family. In addition, a **Go Fund Me** account has been created online. Go to [www.gofundme.com](http://www.gofundme.com) and search Abishai McDonald. May the Lord bless you for your generosity!

Thank you for your continued prayers for Brittany, Shia (6) and Aniya (4) in these days, and as they relocate to be near family.

***Precious in the sight of the LORD is the death of His faithful servants. Psalm 116:15 (NIV)***
