

This warm weather we are enjoying is just another reminder that summer is right around the corner and the school year is coming to a close. As you begin saying “so long” until August, it is important to be especially mindful of reminding your mentee that you will not see one another until the next school year. To help with this and to make the most of your May visits, please enjoy these **End of Year FAQs** (*reprinted annually in the May Mentor Minute*).
