

5th Grade Mentors, It's Time to Transition!

We hope you have found the “Transition to Sixth Grade” information and activities shared in this spring’s Mentor Minute helpful when talking to your mentee about going to middle school. To further prepare **you** for mentoring in middle school, Seedling will provide a special **6th grade Mentors Training this August**, where we will share

- **How to solve the middle school mentoring puzzle**
- **The best tips and techniques for mentoring a sixth grader**
- **Major differences between elementary and middle school**
- **How your mentee is growing as a young person**
- **How you are the connecting puzzle piece**

Watch your in-box for date and time of this essential training.
