Give our Dorados the credit they deserve by making an Arizona Tax Credit Donation!

If you pay Arizona state taxes, you are eligible to make a tax credit donation to Canyon del Oro High School to support extracurricular activities such as clubs, athletics and fine arts programs. This is a dollar for dollar credit that will redirect your taxes directly to CDO. When you make a donation, you get to decide exactly which after school program you want to support.

To be eligible to receive the credit for 2015, CDO must receive your donation by December 31st. Contributions can be made in increments throughout the year, or as a lump sum up to \$200 or \$400 for married couples filing a joint return. Make a donation online today at www.amphi.com or download an easy to use form and send your donation directly to CDO.

Anyone who pays Arizona state taxes is eligible to participate. You do not need to have a student at CDO to make a donation and receive the credit. Don't miss out on your chance to give our Dorados the credit they deserve!
