Troop Size Matters!

- ♦ More girls, more fun, and more friends!
- ♦ More parents to support all of the fun, activities and responsibilities!
- ♦ The suggested troop size is 10-25 girls, which allows for cooperative learning, leadership opportunities and sufficient troop funds.
- ♦ Girls working in patrols (small groups) within the troop gain valuable leadership skills and expanded ownership of their Girl Scout Leadership Experience.
- ♦ Strong, healthy troops = Strong, healthy council!
