

The Magnificat Admissions Department has been keeping busy this spring, welcoming the Class of 2020, as well as our Future Blue Streaks! Here are just a few of our upcoming events:

New this year, 7th Grade Shadow Days—April 7 & April 21

We invite 7th Grade students to spend a day with a freshman and see what a typical high school day is like at Magnificat. Shadowing is a great way for a prospective student to meet our students, faculty and administrators, and to tour our facilities. Parents are invited to an informational session and tour at 8 a.m. or at 2:30 p.m. (after you drop off, or before you pick up your 7th grader).

To register for a shadow visit, please visit our Calendar of Events tab found on the Admissions page on our website www.magnificaths.org, or call the Admissions Office at 440.331.1572, ext. 248. *(Please note: a shadow reservation must be made 3 days in advance of the visit.)*

Prospective Parent Information Night

Please come and see us on **Thursday, April 16 from 6-8 p.m.** Spring Open House has been replaced with a new format, which provides parents of girls in grades 5-8 the opportunity to attend an informational session at Magnificat High School. Doors open at 5:30 p.m. You will have the opportunity to meet our President, **Ms. Jen Hebda Halliday '95**; the Dean of Academics, **Ms. Marilyn Arundel**; and the Dean of Student Life and Formation, **Mrs. Moira Clark**. The evening will begin with a presentation by President Halliday in the Magnificat Center for the Performing Arts at 6 p.m. Concluding the presentation, parents can choose from four Breakout Sessions: Academic Choice, Student Support, Affordability and Student Life (Athletics & Co-curriculars). You will have the opportunity to attend all four sessions or to pick and choose. We invite Future Blue Streak Parents to ask questions, meet students and faculty members, and see what Magnificat High School has to offer your daughter. Please visit our Calendar of Events tab found on the Admissions page on our website www.magnificaths.org, or call the Admissions Office at 440.331.1572, ext. 248 to register.

We will be offering two practice exams, one in May and one in August for both 7th and 8th grade students—girls and boys. Students who attend these classes will take an actual, timed full HSPT test under testing conditions; receive lunch, manual and instructional materials. If you would like more information regarding Seeley Test Pros or to register your student, please visit their website at www.seeleytestpros.com.

The High School Entrance Exam Prep course is one of many ways in which to prepare, as there are practice books available for purchase or at your local library, as well as online sites that can help your child familiarize herself with the HSPT exam. If you have any questions, please do not hesitate to contact me at bhermann@maghs.org or by calling 440.331.1572.
