

For over a decade, Magnificat students, faculty and staff have participated in a very special Advent giving project called **Humble Hands**. Campus Ministry coordinates this project with the help of many student leaders. The school is transformed with festive decorations, and the Humility of Mary Center is filled with Christmas trees, each representing a different organization that we donate to through this project.

**This year's trees include:** West Side Catholic Center, Collaborative Initiative to End Human Trafficking, St. Pat's Hunger Center, St. Colman's Outreach Ministries, Shoes and Clothes for Kids, Cleveland Catholic Charities Office of Migration and Refugee Services, Domestic Violence and Child Advocacy Center, St. Rocco School, Our Lady of Mount Carmel School, Guadalupe Center of Immokalee, and the Cleveland and Friendship Animal Protective Leagues.

Magnificat has meaningful connections to all of these organizations, either through summer immersion retreats, the Sisters of the Humility of Mary, or alumnae. We are proud to continue to build such strong partnerships with each one of them, and we are grateful for the lessons they continue to teach our students and staff about the Gospel call to serve.

**YOU can participate in Humble Hands** by purchasing any of the items listed below and dropping them off at Magnificat by Monday, December 14. If you would like to write a check, please make it out to Magnificat High School, with the organization of your choice in the memo line, and mail it to: Magnificat Campus Ministry, 20770 Hilliard Blvd., Rocky River, OH 44116. Thank you in advance for your generosity and support!
