Celebrating Partnerships: Making a Positive Impact TOGETHER

Our 12th Annual Networking Reception

An Event Dedicated to Raising Awareness and Support for the Growing and Diverse Aging Population of Suburban Cook County

**Thursday, September 22, 2016
Crystal Ballroom of the Hyatt Regency Chicago**

We know you'll enjoy this festive, elegant event! With a great atmosphere for networking, plus dinner, an awesome band, dancing and silent auction, *Celebrating Partnerships* is simultaneously a celebration of the impact of our programs and services on the lives of those we serve and an opportunity to make important connections that reinvigorate all of our work within communities.

We're "Celebrating Partnerships" by honoring our partner agencies, the community organizations that continue to meet the needs of older adults. We also celebrate our generous

AgeOptions.

As a sponsor, you will enjoy opportunities to market your business to older adults and caregivers, as well as community and business leaders, through social and traditional media, through our event marketing materials and throughout the evening in signage and a commemorative program book.

With the state budget impasse and unprecedented reductions in the support of aging services in Illinois, **your participation offers the greatest impact of any time in AgeOptions history.** If you are interested in sponsoring or participating in another way, please review the forms above that outline the opportunities for and benefits of event sponsorship. And please don't hesitate to contact Chrystal Brown at chrystal.brown@ageoptions.org or (708)383-0258. She will be happy to speak with you and answer any questions you may have.
