April 26, 2016

Dear Graduate,

It is my pleasure to congratulate you as you are now counting down your last days as a high school student. I know that these are exciting and perhaps nerve-racking moments, but as you move closer to the end of one part of your journey and the beginning of another, may you know that you are loved and prayed for by the HFN church family.

We are very proud of you and would like the opportunity to applaud and recognize you on a couple of different occasions. On Wednesday night, May 18th, we would like to invite all of our seniors and their parents/guardians to join us for dinner in the Family Life Center at 6:30 pm. Following dinner, we'll plan to move upstairs for a time of worship followed by a time of "Senior Sharing". This will be an interview-sort of time where all of our seniors will be invited to share about their journey with God through their high school years. If you plan to join us for this evening, please RSVP with Pastor Josh by Sun. May, 15th.

On Sunday, May 22, 2016 we would like to acknowledge our seniors during both of our morning services. We will introduce each senior and have them come forward to receive a gift and recognition for their achievement(s). In addition to this letter, a form seeking information about you and your plans will be sent to you. Please fill out the form as best you can and return it to the church office or to Pastor Josh by Sunday, May 15th. We would also like three pictures of you to be used during the service. A baby picture, one from your childhood years, and one within the past year or so. If you have pictures already in electronic format, that would be best. Please email them to [pastorjoshmoore@gmail.com](mailto:pastorjoshmoore@gmail.com). If hard copies are all you have, please bring your photos by the church office so we can scan them. We encourage all of our graduates to wear their cap and gown that Sunday. The introduction of graduates will take place at the beginning of both services.

Again, we are very proud of you and look forward to celebrating this very important accomplishment with you.

Blessings,

*Pastor Josh*
