Located in the heart of downtown San Antonio across from the Rivercenter Mall and near the Henry B. Gonzalez Convention Center, this 348 room hotel offers spacious guestrooms and suites to a variety of travelers from corporate business men and women and convention attendees to leisure visitors.

La Quinta guests enjoy a complimentary full, hot breakfast daily, complimentary WIFI, Full-service 501 Lounge and onsite parking with easy access on and off the freeway. HALLCO INDUSTRIES, INC. designs and manufactures a full line of bulk materials handling solutions for trucks, trailers and stationary conveyor/bin systems. Drive units and deck profiles have been designed to cater to customer's needs for lightweight, heavy-duty or leak-resistant uses.

With our headquarters in Tillamook, OR and distribution centers located in Salisbury, NC and Poteet, TX we are able to serve our clients across the United States, Mexico and Latin America. With the assistance of the Free Trade Alliance we hope to continue to grow our Latin American business.
