Thank you.

The Ridgefield Library is a splendid example of a community library. It is where many gather to get to know one another via book clubs or presentations on current topics (Lyme Disease, for example) and other extraordinary programs. It is a portal to new technology. We are bursting with pride at how well-received and used the new building is. Since opening our doors in May until mid-September, we have issued 1,000 new library cards. Many are enjoying our new programs and services.

A QUALITY LIBRARY
There is a vibrancy and pride in being able to offer all this to our community. Thanks to all of you, we now have a beautiful new library. However, in order to maintain this library, it must be supported. The Town of Ridgefield contributes a portion of our operating budget each year. The Library must raise additional funds on an annual basis to meet our budget. This year we are looking for $386,000 in private charitable contributions. We encourage every household to donate what it can to help us achieve our goal and to keep this a splendid example of a community library.

PLEASE HELP
Please partner with us by sending a charitable contribution to your Library in response to this Annual Appeal.

Marc N. Colamaria
Board Chair

Christina B. Nolan
Library Director

2013–2014 HIGHLIGHTS

JULY  Massive Open Online Course
We were the first public library in Connecticut to utilize a MOOC in our programming. This ten-week online literature course from Coursera was taught by a professor from Brown University.

SEPTEMBER  Strategic Plan Completed
The Board adopted a new Strategic Plan for the next 3 years. Priorities include responding to the evolving needs of the community; maximizing staff and Board leadership potential; and assuring the financial stability of the Library.

OCTOBER  RFID Tagging
Staff and many volunteers from the Friends of the Library helped to apply individual “tags” to each book, DVD, music CD and audiobook in preparation for a new automated circulation system in the new building.

DECEMBER  Hour of Code
Ridgefield Library hosted its first Hour of Code with enthusiasts of all ages as part of the global initiative to celebrate Computer Science Education Week.

MAY  Dedication of the New Library
May 9 was the grand opening of the new Ridgefield Library. Several thousand were present for the ceremony. To the delight of many, the Community Mural of book spines and silhouettes was unveiled during the dedication.

First Ever Gala
On May 16 “Great Expectations” provided an educational, inspirational and entertaining evening for the 300 attendees. Honorees were Nancy and Larry Bossidy.

JUNE  Touring the New Library
The Friends of the Ridgefield Library acted as docents and gave more than 400 guided tours of the new building.
