Everyone Has to Deal with Conflict

Conflict is normal and inevitable – whether in the home, school, community, church or workplace. Leaders in all walks of life often have a responsibility to help others work through their conflicts.

The Mediation Skills Training Institute presented by the Lombard Mennonite Peace Center (LMPC) is designed to equip church leaders with the skills necessary to deal effectively with interpersonal, congregational, and other forms of group conflict. The five-day institute also includes a component on congregational mediation and consultation, placed within the context of family systems theory.

Although focused primarily on the church setting, the skills learned are directly transferable to other settings. Thus, managers in business, attorneys, experienced mediators, and others in leadership will be enriched by the training as well.
